Dear Prospective Sponsor,

The goal of the Vista Ridge Star Steppers dance team is to promote confidence, discipline, responsibility, and teamwork which will have long lasting benefits. We are extending sponsorship invitations to local businesses for the 19-20 academic year and would be appreciative to partnering with you. Your generous contribution would allow us to bridge the gap in our annual budget to purchase necessary choreography lessons, apparel, stage props, and travel to support our VR athletic teams, and compete in competitions.

The VRSS Booster Club is a 501(c)(3) organization dedicated to supporting the Star Steppers to achieve their team goals and the showmanship our dance team strives toward. Your contribution may be tax-deductible, please consult with your tax advisor regarding deductions.
